

Dual Enrollment
Forest Technician Assistant Certificate *

Cluster Area: Agriculture, Food & Natural Resources

Pathway: Natural Resource Systems

The Forest Technician Assistant certificate program is designed to meet the needs of the student who is interested in attaining entry-level knowledge and skills necessary to work in the forestry field. In addition to providing an exit point for students who want to become employed rapidly, the program area provides the student with an avenue to pursue opportunities in other areas of forestry and forestry management.

Lanier Tech
